*These courses are offered as an integrated block (commonly referred to as IBET for ninth grade, HUM 1 for tenth grade and HUM 2 for eleventh grade).

**These courses are offered as separate classes or as an integrated block.

NOTE: Although most TJ graduation requirements will be met within the natural progression of courses (e.g. English 9, 10, 11, 12), the following graduation requirements must be intentionally scheduled somewhere within each student's four years at TJ:

3 World Language credits (must be sequential in same language)

1 additional credit of non-AP social studies course

1 credit of Economics & Personal Finance (or AP Macro/Micro Economics)

1 credit of Computer Science completed before Junior year

1 credit of AP Calculus AB or BC

1 credit of a Fine Art/Career & Tech Ed OR 4th year of a World Language OR an additional credit of Science, Math or Technology
